

Prairie Malt™ Caramel 60

Six-row Tradition barley

145 – 172 EBC
55.0 – 65.0 °L

Ideal for: All beer styles

An excellent addition to any beer requiring a moderate to high red color addition and mild caramel malt sweetness. Made in our circular kiln in Sheboygan, WI, these higher color caramel malts provide a range of red hues with lower astringency than traditional crystal malts produced in a roaster.
